

APPENDICES:

Helps for Presbyteries and Mission Works

These appendices are offered with the hope that they will be of assistance to the home missions committees of the presbyteries and the mission works of the Orthodox Presbyterian Church in their church planting endeavors. They are intended as a general description of how chapter XXIX of the OPC's Form of Government may be implemented, and they assume a working knowledge of the content and principles set forth in that chapter. They are offered on the assumption that Presbyterian polity, as expressed in the Form of Government, does not contradict the Scriptures, but rather helps us to interpret and apply them.
